Recognizing the importance of parental involvement, it is the policy of Charlevoix Children's House to utilize the help of volunteers in as many areas of the school as possible. In order for our school to fully benefit from the time and talents of all our families, a mandatory volunteer policy is in effect to evenly share responsibilities amongst all registered families.

All families are required to:

- 1- Donate 10 or more hours of time per school year.
- 2- Families must spend some of these hours helping with our largest fundraising event of the year, Fright Night.
- 3- If you are unable to donate 10 hours you will be billed a volunteer fee of \$300 or \$30 per hour of unfulfilled time to help offset the expense of hiring workers.
- 4- Parents are responsible for reporting their volunteer hours in order for them to be credited.
