## **Walking Field Trips:**

Part of the experience here at the Charlevoix Children's House is exploring the surrounding area. Frequently throughout the year we will take trips through the woods or to the lake. All of these trips are done on foot and will require no transportation. Please sign below to give your child permission to participate in these experiences throughout the year.

## **Topical Lotions/Sunscreen:**

Often a child is in need of hand lotion or cream throughout the cold months of the year. Additionally, although it is best to apply before coming to school, sunscreen may be applied before outdoor play when necessary. Please sign below to give permission for your child to receive any topical lotions or sunscreens (please supply your own) throughout the year.

I do not know of any allergies my child has to topical lotions/sunscreens.
