

# Charlevoix Children's House Shopping Guide

Following is a list of supplies needed for this school year:

- **Daily lunch:** For those children staying after 11:30am. Each day your child's lunch must be marked on the outside with their name and the date. A simple piece of tape and a Sharpie work great.
- **Water bottle:** Marked with your child's name and the date each day.
- **Change of clothing:** shirt, pants, **two** pair of underwear, and **two** pair of socks. This will be kept at school in your child's slipper bag and sent home when used and needing to be replaced.
- **Bedding:** For those children (under 5) staying full-day, please provide a warm blanket and pillow. (One stuffed animal to snuggle with is optional, but must be kept at school all week). Bedding will be sent home at the end of each week for washing.
- **Slippers:** to keep at school. Please only purchase a pair the child can put on and take off by himself. *Try this out before purchasing them!* The best types are well-fitting pull-ons with non-slippery soles (Crocs work well). **Slippers that are floppy, noisy, too big, play music, light-up, or contain a massive head of sorts can not only be distracting, but dangerous!** Please provide your child the proper slippers so we do not have to disappoint him or her by sending them home and using slippers from our closet.
- **Headphones:** (kindergarten only)

Please include the following art supplies for your child's personal use to be kept in their own box which the school will supply:
