# Charlevoix Children's House Shopping Guide

Going shopping together for school supplies can be a positive way to prepare you and your child for the upcoming transition. Having a new pair of slippers to wear and a special stuffed toy just for naptime can help calm fears of the unknown.

***Please bring your child's bedding, clothing, slippers, and classroom supplies to their scheduled orientation on Tuesday, August 26th.***

## Please put your child's name *on all personal items!*

Following is a list of supplies you need to provide for your child:

- **Daily lunch and water bottle:** Each day your child's **lunch and water bottle must be marked on the *outside* with their full name and the date**. A simple piece of tape and a Sharpie work great. Please send water bottles filled.
- **Change of clothing:** warm sweater/sweatshirt, shirt, slacks, underwear, and **two** pair of socks to be kept at school in their personal slipper bag.
- **Bedding**: For full-day preschool students, please provide a small blanket and small pillow. (One stuffed animal for the week is optional). Please send bedding in a reusable bag with handles. Bedding will be sent home at the end of each week for washing.
- **Slippers**: Please only purchase a pair the child can put on and take off by himself. *Try this out before purchasing them*! The best types are well-fitting pull-ons with non-slippery soles and no ties. Something similar to Crocs work well. *Slippers that are floppy, noisy, too big, play music, or light-up will be distracting!*
